Introduction

The Program Director plays a key role in the success of the AIS Dual Diploma Program. This handbook provides information that will help the Program Director get familiar with the AIS Dual Diploma Program, how it works, and to also understand his/her responsibilities.

Program Director Responsibilities

1. Understand the AIS Dual Diploma Program and how it works.
2. Assist with the Admissions Testing and ensure students take the test in a secure setting.
3. Maintain continuous communication with the students enrolled in the program. Ensure that the students are engaged, motivated, and completing their coursework. Work with students who fall behind and assist them so they can get back on track.
4. Maintain continuous communication with the parents of the students enrolled in the program to ensure they are informed of their child's progress.
5. Maintain continuous communication with the teachers regarding the students' progress.
6. Maintain continuous communication with the AIS Dual Diploma Staff.
7. When requested by the AIS Dual Diploma Team, provide them with the students' home school official transcripts required for AIS Dual Diploma Graduation and an official English translation if requested.

Admissions Test Procedures

The purpose of the AIS Dual Diploma Admissions Test is to determine a student's English proficiency for acceptance into the program. The test will give our admissions department an indication of the students' knowledge and skills in English grammar, vocabulary, reading, and writing and will determine whether the student is admitted into the AIS Dual Diploma Program.

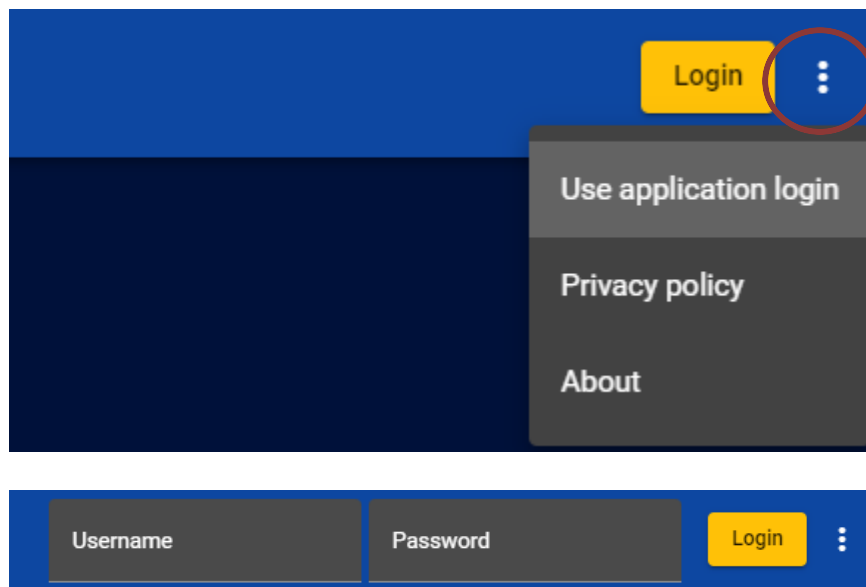

To get reliable results, it is essential that the scores from the selected test items accurately reflect the ability of each student independently. For this reason, we ask that each school's Program Director adhere to the testing guidelines set forth in this test administration guide.

Directions (see pages 4-5 for specific steps and screen shots)

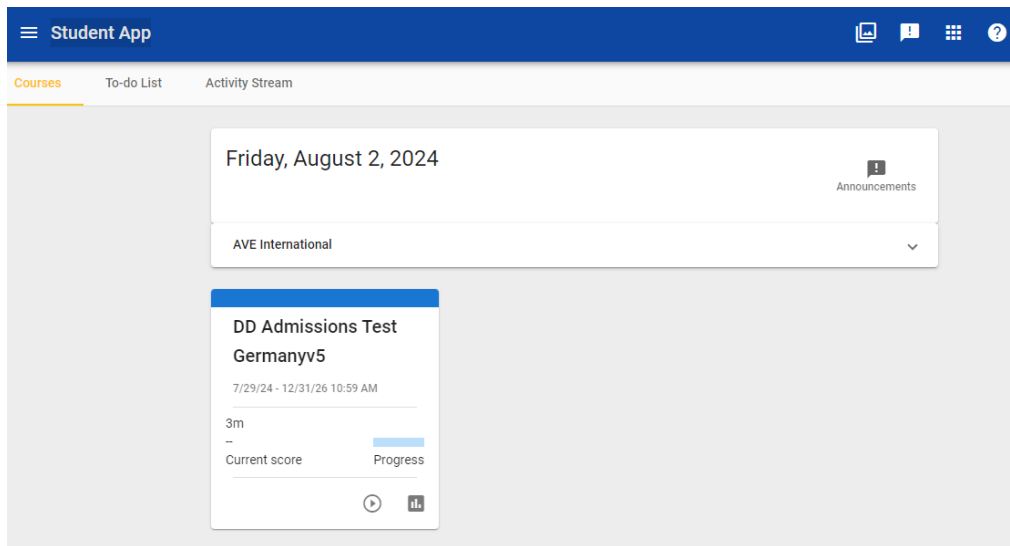

1. To take the test, each individual student should be assigned a computer with Internet access.
2. There should be one student assigned to one computer. Students are to take the test individually without assistance; therefore, they cannot sit together, test together, or talk during the test. They cannot use a dictionary, textbook, online website, or any other reference to assist them during the test.
3. Go to this link: <https://ddorientation.agilixbuzz.com/>
4. Students will need to sign in to take the test, you will be provided with your students' logins and passwords prior to the day of testing.
5. Students will have 75 minutes to complete the Admissions Test.

Accommodations for Admissions Test

1. **SpeakIt!:** For students who may have special needs such as dyslexia, they can utilize SpeakIt!, a free text to speech extension that reads selected text using TTS technology with language auto-detection. Students should be sure to use a headset if taking the test in a room with other students also testing.

<https://chrome.google.com/webstore/search/speakit>

Select "Add to Chrome" and confirm you want to add it to your computer:

To use it for a certain passage, you should highlight the text and then 'right click' with the mouse. It will give you the option to "Read with Select and Speak".

2. **Visual Impairment:** If using Chrome, students can also make the font bigger by clicking on the magnifying glass or the three dots in the corner of the search bar

Grading Policies

Students are graded with a letter grade broken down by points and percentages as shown in the chart below.

A	4	90 - 100 %
B	3	80 – 89 %
C	2	70 – 79 %
D	1	60 - 69 %
F	0	Less than 59 %

Grade Point Average (GPA)

Students must earn a Minimum Overall Unweighted Grade Point Average (GPA) of 2.0 as part of the Academics International Studies (AIS) graduation requirements.

Letter Grade	Unweighted Grade Points	Weighted Grade Points	
		Honors	AP/DE/IB
A	4.00	5.00	6.00
B	3.00	4.00	5.00
C	2.00	3.00	3.00
D	1.00	1.00	1.00
F	0.00	0.00	0.00

When calculating Overall Unweighted GPA, we use the following point system:

A=4.00 B=3.00 C=2.00 D=1.00 F= 0.00

A student's Overall Unweighted GPA is calculated by multiplying the grade points corresponding to each completed enrollment by the number of credits the course is worth, adding those numbers together, and dividing that total by the number of credits completed to date.

Weighted GPA takes the difficulty of a class into account. More challenging courses, like honors, are worth more than a 4.0 on a weighted scale as in chart above. Weighted GPA is calculated using the steps outlined above using the Weighted Grade Points, if applicable.

Graduation Requirements

Graduation from the AIS Dual Diploma Program and progression through the grades will be in accordance with the completion of the minimum credits set forth. In order to earn the AIS Diploma and successfully complete the AIS Dual Diploma Program, the student's official home country secondary school transcripts must be provided to AIS, an official English translation of home country secondary transcripts if requested, the student must graduate with their home country secondary diploma and meet the minimum 24 credit graduation requirements and minimum 2.0 Overall Unweighted GPA as outlined in the chart below.

How Parents Can Monitor Child's Progress

The AVE SIS requires at least one guardian account associated to a student in order for them to monitor their performance. Therefore, upon creation of the student's account in the AVE SIS, a guardian account is created as well.

If the parent account was not created and they did **not** receive a user account creation email including their credentials, a guardian account can be created by following the steps below.

1. Email support@aveteaching.com with the subject line "Guardian Account Needed" and the body containing the student's full name you will be monitoring.
2. Please wait at least one business day to log back in. After that, you will be able to view your student's account.
3. Once the parent has their guardian account, they can monitor their child's progress by logging in and clicking on **Grades** on the left side of the screen.

Tips for Students' Success

1. Students should log in at a minimum of **three times weekly** and spend approximately **3-5 hours per course, per week, studying**.
2. Students are also required to follow the guidelines provided by their instructor for completing the modules in the **Burlington English program** if they are in English I or English II.
3. Students should check their email and announcement dashboards daily as teachers send out numerous announcements, updates, and grade reports continuously.
4. Students should stay up-to-date with all coursework.
5. Students are encouraged to reach out to their teachers and ask questions. Teachers have published office hours so students should make a note of their schedule.
6. It is important for students to participate in the Welcome Meeting, online live sessions with their teacher, and one-on-one chats with their teacher.

Burlington English (Only students in **English I** or **English II** use Burlington English)

1. **English I** students will complete Burlington Everyday English 2 first semester and Burlington Everyday English 3 second semester.
2. **English II** students will complete Burlington Advanced English first semester and will not use Burlington for second semester.
3. If students are having technical issues with their Burlington Program, they should always contact their teacher first. If still not resolved, students can reach Burlington support at:
 - **Spain:** soportetecnico@burlingtonenglish.com
 - **Non-Spanish Speaking Countries:** techsupport@burlingtonenglish.com
 - **Latin America:** soportetecnico.america@burlingtonenglish.com
