

UNITED STATES HIGH SCHOOL DIPLOMA

To whom it may concern,

The aim of the attached Transcript and/or Certificate of Attendance is to certify that the student in its possession has been enrolled in the Academica International Studies (AIS) Dual Diploma Program. Academica International Studies is part of the Academica global network of public charter schools, digital learning communities, and colleges. Academica accommodates proven teaching methods with the best of digital technologies.

The AIS Dual Diploma Program allows students around the world to earn a **United States High School Diploma** at AIS while simultaneously earning their home country secondary diploma at their home school. Our students have the opportunity to attend **fully-accredited American High School Courses** through AIS in Miami, Florida. **Our courses are entirely in English** and include access to all materials through our online platform under the guidance of Florida certified teachers supervising the students' progress. The primary focus of the program is to provide students with an **academically rigorous and intellectually enriching program**.

AIS is **fully-accredited by Cognia**. Accreditation is designed to help educational institutions boost their ongoing performance efforts for the benefit of their students. AIS meets the high standards required for accreditation by Cognia, which sets global standards for excellence in education in the United States and around the world.

Students can complete the program in 2, 3, or 4 years depending on their age and grade level when they begin. A minimum of 6 of the 24 graduation requirements must be taken at AIS in order to earn the AIS high school diploma. All students will take the 4 Required Courses: 2 Credits in English, 1 credit in United States History, and 1 credit in United States Government and Economics. Students will also take 2 Elective Courses of their choice. The course of study that this student has completed is detailed in the Certificate of attendance and Transcripts.

The certificate of attendance shows the student's current grades and completed courses. **This student will receive the official AIS High School Diploma in July 2026.**

For any further information, do not hesitate to contact us.

With Kind Regards,

Gina LaLicata
